| Costs of a guest licence

For each guest licence which is valid for up to four events, the fee amounts to 82.39 €. If you wish to have your guest licence extended to a total of eight events, the fee of 82.39 € is due a second time for events number five to eight. The fee must be paid at the time of applying for the guest licence, before competing for the first time. Please transmit the money for the guest licence to the following bank account:

Account holder: Deutsche Reiterliche Vereinigung
IBAN DE 14 4005 0150 000000 6015

| Performance class and ranking points

Every competitor applying for a guest licence will be assigned to a performance class (→ LPO section A, § 63, and section D “Durchführungsbestimmungen zu § 63”). If you have a record of results in German events within the past years, you are classified according to these results; otherwise you can mark the choice of your performance class on the application form. Since all German riders also have ranking list points, a number of points that represents the average for that particular performance class is assigned to you.

In case you have extended your initial guest licence from four to eight events, your performance class remains unchanged unless you have sent a written application for an upgrade and provided the results you achieved during the first four events justify that upgrade.

| Your horse or pony

All horses and ponies must have a passport accompanying them at all times, and the vaccinations must be up to date in accordance with the scheme in LPO section D “Durchführungsbestimmungen zu § 66.3.10”. No guest licence fees occur for horses or ponies. All entries must be sent to the organiser of the event and besides the rider's/vaulter's details must contain:

Name of the horse or pony, date of birth, colour, sex, studbook, name of sire, name of dam's sire, owner, FEI passport number – if any -, German registration number if it is a horse of German origin.

MEMO

TO "COMPETITORS LIVING ABROAD" FOR THE PARTICIPATION IN NATIONAL EVENTS IN GERMANY

If you are a foreign rider, driver or vaulter and spend more than six months of a year in Germany, you can apply for a national competitor's licence. The German licence can be obtained right from the beginning of your stay in Germany.

You need to be member of a German Riding/Driving/Vaulting Club that is affiliated to the NF, fill in the application form "Erstantrag" and attach a written permission from your home NF.

For details on the German competitor's licence, see para 20 of the German rulebook "LPO" (= Leistungsprüfungsordnung).

According to LPO para 63, all German riders, drivers and vaulters are assigned to a performance class on the basis of their record of results in their home country and/or abroad. Provided these results justify their classification, foreign competitors are exempted from having to pass the exam for the German riding or driving badge (see LPO para 20.2), otherwise the respective exam will have to be passed. For details about Vaulting, see the respective rules for application of para 20 in part D ("Durchführungsbestimmungen") of the LPO.

Please note that if you compete with a German licence, **your horse** as well needs to be registered in Germany!
